CAMP OF CHAMPIONS “INTENSIVE” WRESTLING SCHOOL

“ Important Message 2009”

The objective of the Camp of Champions “Intensive” Wrestling Schools is to fulfill the goals of the wrestler that attends our camps. We have excellent facilities that we work out in. Our staff is handpicked with collegiate wrestlers, high school and college coaches. Our clinicians are the finest current champions in the United States and abroad. The training schedule is unmatched by any camp in the nation. We know what other camps do...they cannot follow our lead!

Our entire camp is immersed for in preparing our wrestlers for the upcoming season so they can meet the goals they have set for themselves. Our intensive camps are extremely difficult physically, mentally, and emotionally. We have found that over the past few years that there has been a stumbling block with our camps, it is called the “CELL PHONE”

The cell phone is an annoyance to the spirit of what our mission is attempting to deliver to our wrestlers. Numerous occasions during camp our wrestlers call at all times of the night when they should be sleeping and resting, preparing for the next session or the next day. During the first 4-5 days a percentage of wrestlers call home and want to go home because of the difficulty of the intensive camps. The Camp of Champions discourages any type of leaving camp prematurely, as parents you need to stay on the same “Game Plan”.

Years ago cell phones were not an issue because the wrestlers did not have them. We are not allowing “cell phones” in the intensive camps, unless they are flying into camp at that time they will give up till the end of camp (10 and 7 Day)!

Do not have your wrestler bring a phone, it will be sent home at your cost. The dorms and on campus there are phones they can use.

I hope that you understand our goals and have your wrestler abide by this rule that we will enforce. Below is an area that the parent and wrestler must sign to state you have read and understand the rules of no “cell phones” at any intensive camp that you wrestler is attending.

Sincerely,

Steve Glassey Director:
